## Message from Secretary

### Compliments from Shasun Jain College!

*When we think we know, we cease to learn.*

*– Dr. Sarvapalli Radhakrishnan*

Echoing these words, a great Zen Master once said, “Empty your cup, so that it may be filled.” We should have a never ending thirst for knowledge. Each day, be like an empty cup eager to be filled. By the end of the day, assimilate the information and be ready for a new fresh day of knowledge and learning. At Shasun, you would find the right ambience for sustained learning - state-of-the-art, well-equipped classrooms, Wi-Fi enabled campus, hi-tech labs, seminar and conference halls and a well-stacked library. Make the best use of the resources and grow with the Institution.

Academic syllabi notwithstanding, learning goes above and beyond the classroom. In order to cater to the students’ psychological and emotional growth and stability, the College offers numerous value-added courses, certificate courses, entrepreneurial niche, clubs & forums for social cognizance, and sports activities. Students should zealously take up courses and activities based on their interests. The Institution proudly appreciates and awards achievements of students in curricular, co-curricular and extra-curricular activities. Explore, Experiment, Endeavour! Go Beyond. Make Us Proud!

## *Message from Associate Secretary*

### **Warm Greetings!**

It is a matter of pride to pen down the message for our calendar for the academic year 2019-20.

‘Education is the most powerful weapon which you can use to change the world’ says Nelson Mandela. Excellence in Academics along with Co-curricular and extra co-curricular activities completes the process of education and it gives me great satisfaction that our college is making headway in all its endeavors towards the overall development and personality of the students.

I am very proud to state that the college is striving towards greater heights with its teamwork and concerted efforts. The Management, Parents, Students and the Teaching Fraternity of our College are a team and complement each other’s efforts. The Institution understands clearly that education is not just a process of giving knowledge for a high profiled job but a lifelong process which creates an understanding of moral and ethical values to guide and make our students morally upright citizens of the country.

As I look ahead, I can visualize that the college will grow in pursuit of excellence in its entire vista. I have every hope that our College will continue to serve a significant role in higher education for women and in the service of the country. I am also sure that it will continue to maintain its excellence and character with great distinction.

My hearty welcome to the parents and students to be part of Shasun family to share common ideals and aspirations as we build through a challenging and enriching educational experience for our students.

My best wishes!

## Message from Principal

**A Warm Welcome to all the budding Shasuneons!**

**“If mind is intensely eager, everything can be accomplished – mountains can be crumbled into atoms.”**

— Swami Vivekananda

Our college postulates this idea in encouraging and moulding the students to achieve greater heights. Education plays a pivotal role in women of India and our college being one of the leading colleges in the city follows this motto. Our institution is known for its enviable achievements not only in higher education but also in sports. We take every care in developing a complete personality leading towards an excellent career by paying personal attention to every individual student. As Rabindranath Tagore told ‘The highest education is that which does not merely give us information but makes our life in harmony with all existence’, the college emboldens this idea and believes in giving the holistic education to the students and mould them into proficient students.

Our College has highly motivated and qualified faculty members who constantly seek to upgrade their teaching methods in order to enlarge the mental horizons of their students. Shasun College motivates the inner strength in the students and faculties which each individual possesses and gives them the liberty to outshine. I am gratified in saying that our Shasun Jain College, established the Centre of Excellence for Retail, Media, Entertainment & Communication and Art & Culture. Shasun Centre of Excellence is declared as Industry Outreach Partner of the respective Sector Skill Council. Our college produces many entrepreneurs and allows the students to go to foreign countries to take up their international internship projects. I assure that the college will create opportunities to Shasuneons to meet people at the international standards. Students will gain valuable life skills through hundreds of active campus organizations and countless volunteer opportunities through various college clubs. Shasun college undoubtedly imparts holistic and artistic education for the students to meet the high standards in their future.
