

Best Practices – 1 (For the academic year 2016-17)

Title of the Practice	COLLPOLL
Goal	To connect all faculty and students in campus
Context	This system is created to make collaboration ease and convenient
Practice	Sharing of notes, videos by the faculty and submission of assignments by the students through COLL POLL mobile app.
Evidence of Success	Faculty and students of the college has been linked and are already started using it.
Problems encountered	Some of the students have no internet connection. Every time
