SHASUN SHAKTHI VOICE

VOLUME XIII - ISSUE I

MAY 2022

Message from the Secretary

“Education is not just about going to school and getting a degree.

It’s about widening your knowledge and absorbing the truth about life”

Shri Shankarlal Sundarbai Shasun Jain College for Women was established with an objective of providing holistic education to young women. Even after a decade of the College's inception, We at Shasun, still strive to offer holistic development to students through various Clubs, Forums and Sports.

Shasun clubs help students to gain skills like leadership, communication, problem-solving, and public speaking. It offers limitless opportunities to students to try their hands at leadership and also to participate in activities beyond classroom setup and academic programme. Clubs and Sports provide them an opportunity to socialize with their peers, juniors, and seniors as they get involved in activities together. These participatory activities build teamwork, teach them collaboration and evolve them into better individuals. Not only our students but also our Staff members are encouraged to enroll themselves in various courses and take part in different activities.

My best regards to the Shasun Shakthi Voice for recognizing the extracurricular and cocurricular achievements and participation of our Students and Staff members.

My best wishes!

Smt. Usha Abhaya Srisrimal
Secretary

Message from the Principal

“Learn everything that is good from others but bring it in, and in your own way absorb it: do not become others”- Swami Vivekananda

Greetings!

As Jacques Delors rightly put, education is based on the four pillars of **Learning to Be, Learning to Do, Learning to Know, and Learning to live and share together.**

Shri Shankarlal Sundarbai Shasun Jain College for Women has always aimed and succeeded in imparting all the

pillars of learning and creating conducive environments for character growth and spiritual development. The process of teaching-learning at Shasun revolves around the issues of civic virtue, altruism and peace, which will transform students into ideal citizens of tomorrow.

We provide a harmonious blend of academic pursuits and extracurricular activities that enables the students for extensive growth. We take pride in our excellent teaching practices like ICT-enabled learning, flipped classrooms and gamification, as well as the highly competent and qualified team of faculty. We hope to continue our significant contribution to the ethos of academia that positively impacts the students and also the society at large.

My hearty congratulations to this institution for scaling new heights every year!

Dr. S. Padmavathi,

Principal
