EDITORIAL

Greetings to all!

We are glad to present the latest edition of the Department Newsletter, Volume: II Issue: I for the month of Nov-March. This issue explores the hidden talents, commitment, involvement and achievements of the Department Students & Staff Community towards their Extra and Co-Curricular activities to the world. It motivates, enlightens and enables the Student & Staff community to focus on their goals and achieve more.

We look forward to your continuous contribution and participation in this Newsletter. Your good ideas, comments or valuable suggestions about this Newsletter are welcome. This may lead to enhance the quality and professionalism of this newsletter in forth coming editions in your field.

HOD'S MESSAGE

At the outset, I would like to thank the students and staff who have been doing exemplary work and contributions for the department. As Information technology is continuously upgrading the students of the Computer Science Department are trained to follow 3A.

A->Accept the Challenges A-> Adapt to the changes

A->Achieve the goals

Newsletter is an amalgamation of all the events held in the department and it plays an instrumental role in providing a greater exposure of the achievements accomplished by the students and the faculty. Hearty congratulations for Newsletter Committee Members for their efforts in bringing out the News letter.
