STUDENT CORNER

A Better World

I wish to see this world full of Love.

*Different people from different nations, regions, culture, tradition, religion, language
Yet, love binds us all.*

Love is the root of peace.

*If we love everyone like we love our sleep,
the world would be a better place.*

The world does not make much sense

Without the people you love. Hence,

Forgive people and treat them well.

So, let me love you and I will never cease

I will never gaze upon you with regret,

Only ever growing desire and fulfilment.

-- E.Nikita, I BBA

Tumbling Meteor

She was as calm as the ocean floor
She was as quiet as the deep woods
She was as happy as the rustle of the trees
But it was all on the outside - deep deep down,
She was as scared as a man buried alive
She was as soft as a feather
She was as sad as death
But it was all on the inside - the core of her being
Could anyone tell what really she was?
She was as mysterious as a star that was a tumbling meteor.
