La musee est belle beaucoup, avec peintures exotiques,
On a attiré mon attention, m'intrigue chaque leur,
Un chemin vers un bâtiment, je suis tombé dans le tableau,

Les Keynotes ont commencé à jouer, d'où viennent-ils ?,

Oh ! c'est le chemin, jouant du Beethoven,

Se transformant en tapis magique, le tableau m'a emmené dans un dôme,

De leçons, de voix et de lettres volant sur le parchemin,

Je me suis retrouvé dans une dune, c'est quoi ?,

Le bruit sourd de la balle et le courage du joueur sont recouverts de brume.,

Soudain je suis de retour dans la mer remplie de peintures,

Les gens rient, ce n'est pas l'exposition,

C'était la peinture, j'étais toujours dedans.

Livres

Pour toute personne qui aime lire des livres, il y a une fierté unique lorsqu'elle est décrite comme un rat de bibliothèque. Cela peut ressembler à une frimeuse ou à un simple drame, mais son sentiment littéral n'est ressenti que par les personnes qui aiment lire des livres. La lecture d'un livre ne conclut pas seulement aux "livres", elle montre qu'il s'agit d'un monde séparé, en tant que lecteur, chaque fois que j'ouvre un livre alors que les pages sont tournées et tournées, je voyage en tant que personnage ou public avec le livre et j'ai le sentiment d'y être. Toute situation dans laquelle nous nous trouvons dans les livres nous entraîne dans un univers séparé rempli de surprises et d'accueils choquants. Aimer la lecture de livres dépend aussi du genre. La toute première étape pour commencer un livre est de trouver votre genre : horreur, comédie romantique, fiction, fantastique, motivationnel, développement personnel ou même anime. Enfin et surtout, un signet est essentiel pour maintenir l'intérêt et le lien avec un livre. Une personne pourrait être la raison de votre changement mais un livre sera la raison de votre réforme !!.
